EQUIPMENT FINANCE  
All of  serving you™

[AllpaxLeasing.com](http://AllpaxLeasing.com)

U.S. Bank Equipment Finance is the preferred leasing partner of all divisions of Pro Mach, Inc.

### About U.S. Bank Equipment Finance

U.S. Bank Equipment Finance is one of the largest bank-affiliated equipment finance companies in the nation. As a subsidiary of U.S. Bank, the fifth largest commercial bank in the country, it has the financial strength and expertise to support your equipment needs.

### Programs and Services

U.S. Bank offers a wide range of programs and services to meet your business needs.

- Convenient one page customer application for approved equipment
  - Credit decisions are made by a dedicated credit team
- Rental programs from 12 to 24 months
- Damage waiver programs that include coverage for equipment breakdown and operator error
- Flexible terms and competitive rates
- Timely decisions, streamlined process and straightforward documentation

### What We Deliver

- Innovative financing solutions designed to fit your needs
- U.S. based customer service representatives

### About Allpax Products

Allpax Products designs, manufactures, and delivers turnkey sterilization solutions for the food, beverage, pet food, and pharmaceutical industries. As a leader in retort technology and retort room automation, Allpax is recognized for helping customers decrease time to market, lower overall labor costs, and increase overall throughput. Allpax is headquartered in Covington, LA., and is the sole U.S. licensee of the Shaka retort process.

### About Pro Mach

Pro Mach is a leading provider of integrated packaging products and solutions for food, beverage, household goods, pharmaceutical, and other diverse consumer and industrial companies. Through three business units and related brands, Pro Mach provides equipment, training, installation, and parts in primary packaging, end-of-line packaging, and identification and tracking. Pro Mach is headquartered in Cincinnati, Ohio with manufacturing facilities and offices throughout the United States and Canada.
